

## Einladung / Invitation «GEOSmart Innovation Initiative»

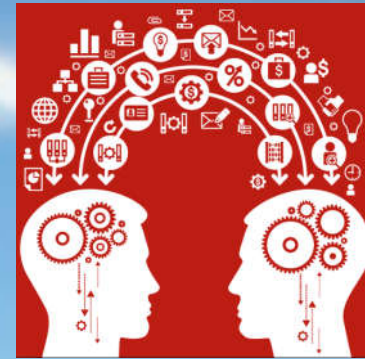

Thursday, November 3, 1700 - 2000 hours  
Location: Kursaal Bern,  
tramline 9, Stop Kursaal

- Our objectives :**
- + Linking up scientific research and economy
  - + Promoting innovation in the fields of smart city, smart living, environment & natural hazards
  - + Increasing usage of geoinformation

Please register on [http://193.135.153.243/innovation\\_day2016](http://193.135.153.243/innovation_day2016).

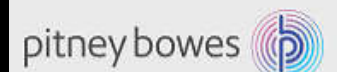

The event is free of charge. The number of places is limited.

Most of the presentations are in English. Orators will answer questions in e/f/d.
